("the school")

THREE MONTH'S NOTICE is required to terminate the contract and should be in writing from the 1st to the 5th of the month. The fees for the **THREE-MONTH** notice period **will** be required even if the student leaves the school before the notice period is up. Failure to meet this payment will result in being handed over or black-listed regardless of the reasons for resigning.

I, "the guardian" give permission for my child to take part in **ALL** "school" activities, including sports and "school" sponsored trips away from "the school" premises, and absolve "the school" from liability to me or my child because of any injury to my child at "school" or during any "school" activity. Outings are part of the school activities, and no child will be excluded except in the case of illness with a doctor's letter confirming such illness.

I acknowledge "the school" is not responsible for any damage to or loss of property belonging to my child.

I agree to uphold and support the high academic standard of "the school" by providing a place at home for my child to study and giving my child encouragement in the completion of any homework or assignments. Should children not do homework the school could request that the parents fetch the children from school so that they may complete their homework at home before returning to school.

I appreciate the standards of "the school" and do not tolerate profanity, obscenity in word or action, dishonour to the Godhead and the word of God or disrespect to the personnel of "the school". I hereby agree to support "the school" to employ discipline, as per the Code of Conduct, it deems wise and expedient for the training of my child.

On admission, a registration fee (non-refundable) is payable upon confirmation of acceptance. All monthly fees are payable in advance, the first payment being due either before the start of the academic school year or before the commencement of enrolment should the student enroll later in the academic year.

I hereby pledge to pay my financial obligations to "the school" on or before the 3rd of each month and I understand that failure to pay fees timeously could result in my child having to stay at home until fees have been paid. Failure to pay fees can result in contracts with the school being terminated due to "Breach of Contract" after due process has been followed. The child has a basic right to education in a public school not an independent school.

I hereby consent that the school or its appointed agent may carry out a credit enquiry and may transmit details to credit bureau of how I have performed in meeting my obligations in terms of this agreement. Failure to meet my financial commitments will result in my being handed over or black-listed.

I understand that we, the parents, will have to complete a parent orientation course so that we understand how the curriculum works. This orientation programme is mandatory, and notice will be given for the date of this course.
